

SUCCESS STORY FROM VIATOR MICROCREDIT

Alekber Latif Oglu Alekberov was born on February 25th, 1953 in Kalbajar region of Azerbaijan Republic. In 1972 he has graduated from secondary school and at the same year has passed exams to High School-agricultural institute. In 1976 he has graduated from High School. Until 1993 he worked in Kelbajar region. At that time he was involved into agriculture, cattle-breeding and bee-keeping.

In 1993 he moved to Ganja. Since year 1995 he started his small business-sale of food products. Within ten years his business has developed substantially.

On March 31st, 2005 he applied to Viator Microcredit Azerbaijan in order to get a loan. For the first time he has borrowed 400\$, 2d time loan was 800\$, 3d time loan was 1200\$.

Taking into consideration the fact that these borrowings assist very much to the development of his small business he would like to continue cooperation with Viator Microcredit LLC.
